Sec. Conn. Society, S.A.R.
Hartford, Conn.

Dear Sir:

Through Mr. George S. Godard of the Connecticut State Library, I learn that a very attractive badge was prepared for the delegate to the National Convention of your Society in Hartford. I should very much like to secure a copy of this badge for our Collection if you still have one available. As you know, our Collection is very large and we try to secure examples of everything of a worth while nature of this kind.

Very respectfully yours,

Secretary
